CPT Think Tank “The New Normal”

Jodie Littwin • 05.05.2020

What is a Think Tank & Why Bother

: an institute, corporation, or **group** organized to study a particular subject (such as a policy issue or a scientific problem) and provide information, ideas, and advice

We are embarking on an age of unknown in the world of ABA Therapy. There are new ideas, venues and avenues for growth for CPT. Let's get ahead of the curve!

Who should be involved?

: Anyone from the organization that wants to help shape ideas and policies for CPT. It is open to **everyone**; Admin, BCBAs and BTs on a voluntary basis

When

: There will be an initial teleconference to brainstorm and discuss the topics.

Groups will be formed and will meet to discuss at a mutually convenient time.

Follow up meeting to present ideas about the individual topics

Topics you ask?

: Including but not limited to the following:

- Telehealth
 - Ways to improve
 - Outreach (esp since schools closed)
- New post-crisis operating standards
- Restarting home services (to those that don't currently have)
 - What will that look like?
 - Precautions?
- Improving Communications (non F2F)
 - Admin to Staff
 - Staff to Families
- Camp
 - Virtual?
 - At Home?
- September
 - Transition back to School
 - Help equip districts/consultation basis
